

AAC_ChunkConverter

```
graph BT; AAC_CC_Simple --> AAC_ChunkConverter
```

The diagram illustrates a class inheritance relationship. At the top is a gray rectangular box labeled 'AAC_ChunkConverter'. Below it is a white rectangular box labeled 'AAC_CC_Simple'. A blue arrow points vertically from the top center of the 'AAC_CC_Simple' box to the bottom center of the 'AAC_ChunkConverter' box, indicating that 'AAC_CC_Simple' inherits from 'AAC_ChunkConverter'.

AAC_CC_Simple
